Things to think about in your sessions...

*Will these objectives
really challenge this
student?*

*How can I be creative in the
way that I feedback and
capture evidence of progress?*

*How are we
going to
celebrate
success at
the end of
term?*

*Am I using a
range of
assessment
techniques?*

*Am I using the
relevant
information from
the subject
assessment?*

*Will the objectives help the
student to achieve the aim?*
